

LOAN SCHEME

INSPIRE ME EQUESTRIAN

HELLO FRIEND

WHAT IS A LOAN PONY?

Welcome to the Inspire Me Equestrian Loan Scheme. This booklet is designed to give clear, practical information for riders and families who are considering joining our loan programme. It explains how the scheme works, what is included, the benefits of becoming a loaner, and what is expected of you. This booklet is intended as a guide only. All loaners will also be required to sign and adhere to the official Loan Agreement.

FURRY FRIEND

WHAT IS A LOAN PONY?

A loan pony allows riders to build a consistent partnership with a pony without the full responsibility of ownership. Loaners ride the same pony each week, helping to develop confidence, skills, and responsibility while remaining fully supported by Inspire Me Equestrian. Not all ponies on the riding school can be loaned out as some are working livery and therefore owned. Only the loaner can ride and care for the horse - friends are allowed to help, but can not ride or take on other loaner's responsibilities.
